Seville

In KS3, students studying Spanish are given the opportunity of a 5 day residential trip to Seville. Not only does this allow them experience all of the sites of one of the most famous cities in Spain, it also allows them to experience and enjoy the culture in a far more meaningful way. As part of the experience, students will not only have guided tours of Tapas restaurants, the Royal Palace and the famous sites of the city, they also get to experience the delights of the most famous festival in Spain - the Feria de Abril, have lessons in Flamenco dancing and even get lessons on Spanish cookery, learning how and preparing their very own Paella. The trip is scheduled to take place at the end of April, when the weather is perfect and comes in at approximately £770 but this does include everything including the return flights.

Activities for the day include: Coastal based fieldwork on the beach (beach profiling, evaluating the usefulness of coastal sea defences), alongside a visit to the sea life centre.
