Assessment is embedded throughout Citizenship lessons in all year groups. Students will not be formally graded in Citizenship, as these assessments are aimed at checking pupil engagement and understanding. Please contact the relevant Citizenship leader if you have any questions or feedback about curriculum coverage.

Wellbeing	Careers	Healthy Living	Relationships & Sex education (RSE)	Democracy	Being safe
Community	Wider World	Finance	Rule of Law	Individual Liberty	First Aid
Tolerance & Mutual Respect					

		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 11	Focus:	Careers Staying Safe – Honour Based Abuse Relationships	Relationships (Including LGBTQ+) Wellbeing	Careers Finance	Careers Wider World	Wider World Careers	Careers

SMSC– This is a strand which runs through most units in Citizenship, but moral issues are particularly important in the RSE unit. Cultural awareness is also vital when studying honour based abuse.

CEIAG– Students complete their applications for further education, mainly through the PS16 system. Support is given for writing personal statements, interview technique and networking. This is delivered through form tutors, Unifrog and local employers.

Enrichment– Students receive a practice interview from two local employers/ members of the community. They also have a presentation from WizeUp Education about finance skills.

British Values– Mutual respect is especially important in Year 11 when students study relationships. Tolerance is also key when studying different religions and cultures during the Autumn term.

Year 10	Focus:	Rule of Law	Healthy Living Individual Liberty	Democracy Wider World	First Aid Being Safe	Being Safe Finance	Finance Wider World
---------	--------	-------------	--------------------------------------	--------------------------	-------------------------	-----------------------	------------------------

SMSC- This is a strand which runs through most units in Citizenship, but the moral component is particularly important when studying social media, migration and human rights case studies.

CEIAG– Towards the end of Year 10 students start preparing applications for post 16 study, with particular emphasis on CV writing and personal statements. They also receive numerous visits from external employers and providers in addition to a bi- annual careers fair

Enrichment– Year 10 students receive two lessons on RE as part of enrichment days in addition to Humanutopia, which focusses on mental resilience and respecting others.

British Values– The politics unit covers the importance of democracy in the UK. This is in addition to a focus on individual rights and the rule of law in the Amnesty International and Human Rights units.
